## Launch of Church Suite

Over the last few months we have  
been preparing the new church  
information portal. You will receive an  
email this week inviting you to register  
for access. ChurchSuite will give you  
easy access to the church directory,  
key info on upcoming events and a  
wealth of other information. You will  
be able to log into your details via  
smartphone, tablet or PC from there  
you will be able to update and manage  
your own information. If you have any  
questions do let the church office  
know and they will be happy to help  
you.

If you do not receive the invitation  
please email the office so they can  
send it to you. For those without
