Launch of Church Suite

Over the last few months we have
been preparing the new church
information portal. You should have
received an email last week inviting
you to register for access. If you did
not receive the invitation please email
the office so they can send it to you.
For those without internet access a
paper directory will be available
shortly.

ChurchSuite will give you easy access
to the church directory, key info on
upcoming events and a wealth of
other information. You will be able to
log into your details via smartphone,
tablet or PC. From there you will be
able to update and manage your own
information. If you have any questions
do let the church office know and they
will be happy to help you.
